

# Atlantic *Ireland*

An exciting petroleum province

**Seismic Data Quality Assessment  
Offshore Ireland  
Available Now!**

## **PAD Special Publication 3/05**

This report maps and documents the variation in seismic data quality in offshore Ireland's Atlantic basins and provides possible solutions to improve data quality including research recommendations. The area covered includes the Irish Rockall Basin, Slyne Basin, Erris Basin, Donegal Basin and the Porcupine Basin.
